```

A flowchart illustrating a sequence of three operations. The first operation, 'alt_dma_txchan_ioctl', is highlighted with a gray background. It is connected by a blue arrow to the second operation, 'alt_dma_rxchan_open', which has a white background. This second operation is then connected by another blue arrow to the third operation, 'alt_find_dev', also with a white background. All three operations are contained within rectangular boxes with black borders.
